Mt. Fuji Sugar

A strain inspired by Japan's most iconic peak, Mt. Fuji Sugar is often chosen by users who seek a refined, balanced experience. Its sweet citrus and pine aroma, with hints of chocolate, is as pure and refreshing as mountain air. Many describe the effects as gently uplifting while helping the body unwind – ideal for moments of calm clarity, reflection, or social relaxation. It's smooth, sugar-coated, and unforgettable.

THC	26-32%
Aroma	Sweet citrus, pine, with hints of chocolate
Lineage	Gelato x Sugarcane
Morphology	50/50 Hybrid
Terpenes	1. Limonene, 2. Linalool, 3. Caryophyllene

Zenberry Soda

Zenberry Soda combines the soft sweetness of ripe berries with a sparkling sense of calm. Its fruity aroma and subtle earthiness create a flavor experience reminiscent of a berry soda enjoyed in a peaceful Japanese garden. Users often report feeling a lighthearted clarity and physical ease – perfect for easing into the day or gently winding down in the evening. A beautifully balanced blend of flavor and serenity.

THC	20-24%
Aroma	Pepper, nutty and slight diesel
Lineage	Kush Mintz x Tropicana Cherry
Morphology	50/50 Hybrid
Terpenes	1. Limonene, 2. Bisabolol, 3. Linalool

Tokyo Pushpop

A playful yet sophisticated hybrid, Tokyo Pushpop captures the vibrant energy of Tokyo nightlife in a creamy, citrus-forward flavor. With its nostalgic hints of orange creamsicle and floral undertones, this strain is a favorite for those seeking a mood lift and creative spark. Many describe it as offering just the right mix of mental buzz and physical calm – perfect for enjoying music, art, or social time with friends.

THC	22-26%
Aroma	Citrus, grape, pepper and cheese
Lineage	Mendo Purps x L.A. Zkittlez
Morphology	70/30 Indica
Terpenes	1. Limonene, 2. Caryophyllene, 3. Myrcene

Geisha Melon Fizz

Delightfully juicy and smooth, Geisha Melon Fizz delivers a refreshing flavor that's often compared to Japan's iconic melon soda. Notes of watermelon, cream, and pineapple blend into a nostalgic, soda-shop sweetness. Users often say it helps brighten their mood and ease the tension of the day, leaving them clear-headed and calm. A playful yet elegant escape – just like its namesake.

THC	23-27%
Aroma	Sugar, pineapple, cream and watermelon
Lineage	Watermelon zkittlez x Grape pie x Guava gelato
Morphology	50/50 Hybrid
Terpenes	1. Nerolidol, 2. Ocimene, 3. Humulene

Sakura Oreoz

Sakura Oreoz is a luxurious treat that blends the rich, dessert-like flavors of chocolate and vanilla with a delicate floral twist. Reminiscent of cherry blossoms at twilight, it offers a smooth, sweet inhale and a comforting, dreamy exhale. Many choose this strain for winding down in the evening, describing the experience as deeply relaxing with a touch of quiet euphoria. A bold yet graceful classic.

THC	24-29%
Aroma	Gas, green apple and pepper
Lineage	Oreoz x Alien Starfighter
Morphology	70/30 Sativa
Terpenes	1. Nerolidol, 2. Humulene, 3. Caryophyllene

Shogun Stardust

Crafted for moments when focus and clarity meet imagination, Shogun Stardust brings together sweet berry flavors with a refreshing coolness. Often described as tasting like blueberry pancakes with a minty sparkle, it's chosen by users looking to start their day with purpose or ride a gentle wave of creative energy. Light, uplifting, and perfectly smooth – this strain leaves you feeling centered and inspired.

THC	23-27%
Aroma	Blueberries, sugar, butter and pancakes
Lineage	Freezer Burn x Big E OG
Morphology	60/40 Sativa
Terpenes	1. Linalool, 2. Pinene, 3. Nerolidol

Crimson Kimono

Elegant and richly layered, Crimson Kimono wraps the senses in soft floral notes, earthy spice, and a touch of citrus. This visually striking strain is often enjoyed during the early evening, when the mind seeks stillness and the body welcomes rest. Users frequently report a warm sense of calm and inner comfort – like slipping into a favorite robe after a long day. Timeless, tranquil, and refined.

THC	24-28%
Aroma	Floral, decadent and earthy
Lineage	501st OG x Purple Hulk
Morphology	70/30 Indica Dominant
Terpenes	1. Myrcene, 2. Pinene, 3. Linalool

Yuzu Grape Spark

Zesty and bright, Yuzu Grape Spark is known for its bold grape-citrus aroma and effervescent personality. With notes of yuzu peel and candy grape, it's often described as uplifting, cheerful, and refreshingly smooth. Whether you're getting into a productive groove or just want to feel a bit lighter, this strain offers a flavorful way to elevate your moment with style.

THC	26-31%
Aroma	Citrus, hops, sweet
Lineage	Grape Pie x Watermelon Zkittlez x Lemon Tree
Morphology	60/40 Sativa Dominate
Terpenes	1. Limonene, 2. Linalool, 3. Pinene

Cherry Blossom Kush

Cherry Blossom Kush is a fragrant and soothing strain that combines the sweet, creamy richness of cherries with subtle hints of vanilla and florals. Like a walk under spring blossoms, many users find it emotionally comforting and physically easing. Perfect for winding down in the evening, its warm, mellow profile invites rest, reflection, and peace of mind.

THC	22-26%
Aroma	Cherries, chocolate and slight gas
Lineage	Black Cherry x Pound Cake x Citrus City OG
Morphology	50/50 Hybrid
Terpenes	1. Caryophyllene, 2. Limonene, 3. Humulene
